3. Alcohol is not allowed in any of the participating recreation complexes.

UMPIRES

In general, the league will furnish two (2) umpires for 10U-15U and one (1) for 8U. (If no umpire is available, or if the umpire is unable to continue the game, a neutral umpire may be appointed by mutual consent of the coaches. Please contact the community representative if this occurs.) The umpire's jurisdiction begins the moment they enter the diamond and extends after the game until they leave the diamond. This includes periods of time where play has been temporarily suspended or when the ball is out of play. During the game, umpires should address all concerns with a coach and not a player.

The umpire has the discretionary power to stop a game for any infringement of the rules and to suspend or terminate a game by reason of weather, condition of the field, interference by spectators or for any other cause, which he may deem necessary.

PLAYER, COACH, & SPECTATOR CONDUCT

1. Coaches are responsible for their players, coaches, and spectators.
2. Poor sportsmanship (such as intentional throwing of bat, glove, cap, etc.) by a player and/or coach will not be tolerated.
3. Unsportsmanlike behavior may result in penalties being imposed upon the offending individual, including coaches, participants, or spectators. Penalties may include banishment from further participation in league activities. Penalties will be decided by a committee made up of the participating communities.

WARNINGS & EJECTIONS

Warning

A warning may be given by the umpire or field supervisor at any time; this, in general, informs the player, coach, or spectator that his/her play or action on or off the field is of concern to the umpire/field supervisor. A warning need not be given by the umpire/field supervisor before an ejection.

Ejection

A player, coach, or spectator who is ejected must immediately leave the recreation complex and may not play the remainder of the game. The player, coach, or spectator will also receive a minimum one (1) game suspension from the Tri-County League.

Appeals to the game suspension can be made through the local community sports supervisor as a representative of the Tri-County League. These appeals can be made starting the next business day after the infraction.

Protests

1. Only rule interpretations may be protested.
2. Any alleged rules infraction must go directly to the umpire before play is resumed.
3. \$75 fee in cash must be paid to the umpire at the time of the protest.
4. The umpire will immediately notify the other team's coach of the protest.
5. The coach making the protest will then submit in writing what is being protested. Notification and time/date is written the official scorebook by the umpire.
6. The umpire notifies his/her director and the director will notify the League President.
7. The coach making the protest will then write down what is being protested and submit that to the League President, 24 hours following the start of the game.
8. The League President will contact the protest committee.
9. The decision of the protest committee will be final.
10. Committee members from the communities involved in the protest may not vote.

THE GAME

Age Division

8U
10U-15U

Game Limit

1hr. 15min. or 6 innings
1hr. 30min. or 6 innings

1. The time limit starts when the umpire says "play ball."
2. An inning starts immediately after the last out is recorded of the previous inning.
3. No innings will start after the game time limit. Time will be determined by the home plate umpire.
4. The last time that you may start a new inning for the 8U division is 1hr. 14min. 59sec. and for 10U-14U old division is 1hr. 29min. 59sec.
5. Teams will be allowed to use the field for the allotted amount of time. Any team 10 minutes late or more forfeits the game. The amount of time that a team is late will be subtracted from the time limit if it is less than 10 minutes.
6. The 1st game will start at 6:15pm. If games are to be made up game start times can and will change.
7. Teams may start with a minimum of 7 players. If during the game, a team drops down below 7, the game will be considered a forfeit. Only players on the specific team's roster may participate. No borrowing of players is allowed.

BATTING

1. For ALL age divisions (8U-15U) - Everyone on the team roster will be in the batting order. Participants that show up late for the start of the game will be added to the end of the batting order.
2. There will be a six (6) run limit per inning in all age divisions.

3. The game will be called when a team is ahead by the following runs: 13 runs at the bottom of the 4th inning, and 7 runs at the bottom of the 5th inning.
4. There will be no extra innings played. If time expires and either team is mathematically eliminated the games is considered complete.
5. After hitting the ball or in attempting to do so, the batter will not be allowed to throw or toss the bat, intentionally or unintentionally, in any manner. A player who throws their bat will be out. The ball will be dead. All baserunners will return to the base last touched at the time of the pitch. The decision as to whether the bat is thrown or not will be made by the umpires as a judgment call.

BASERUNNING

<u>Age Division</u>	<u>Lead Offs</u>	<u>Stealing</u>	<u>Dropped 3rd Strike</u>	<u>Infield Fly Rule</u>
8U	No	No	Cannot run	No
10U	No	Yes	Cannot Run	No

Only after ball crosses home plate
or is hit by the batter

**No Stealing when the
coach/pitcher is pitching**

12U-15U No Yes Can run * Yes

* Dropped 3rd Strike – Batter can only run if 1st base is unoccupied when the pitch is made, *or* when there are 2 outs.

The following rules shall govern the “crash rule”, i.e.: the situation involving contact between fielders and baserunners at any base including home.

- a. The runner is called out if he/she does not slide and causes illegal contact and/or illegally alters the actions of the fielder in the immediate act of making a play on him/her. Runners are never required to slide but, if the runner elects to slide, the slide shall be legal.
- b. The runner is called out if he/she remains on her feet and maliciously crashes into a defensive player. Malicious contact supersedes obstruction.
- c. PENALTIES:
 - 1) If a baserunner makes contact with a fielder in clear possession of the ball other than in an attempt to slide, an immediate dead ball will be called. The baserunner will be called out. If the baserunner deliberately contacts the fielder with great force, the baserunner is subject to ejection in addition to being called out. All other baserunners are returned to the last base touched at the time of the dead ball.
 - 2) If a fielder is blocking the baseline and does not have clear possession of the ball, any contact (other than deliberate contact by either player) shall be ruled obstruction; and bases shall be granted accordingly.
- d. When the fielder, baserunner, and ball arrive simultaneously at a base, umpires will rule on any illegal or unnecessary contact that may occur. In any case, no player may initiate deliberate contact without being subject to penalties.

Courtesy runners are not allowed for any player on base. The only exception to this is if there is an injured player. If the player on base is removed due to injury, the player cannot participate in the rest of the game. The last batter in the line-up not on base will be the courtesy runner. No automatic out will be taken for the injured players spot in the line-up.

PITCHING AND FIELDING

1. A starting player/pitcher is allowed to be removed and return.
2. Teams in the 8U & 10U divisions can field up to 10 players.
3. Teams in the 12U & 15U divisions can field up to 9 players.

GENERAL

1. NFHS Rules are in order when situations are not covered in these printed rules.
2. League Play: League play will begin May 14th. (Teams will play in town games if needed before school is out.) Games will be played primarily on Mondays, Wednesdays, and Fridays. Make up games will be rescheduled as soon as possible by the host town. Games are rescheduled by the host towns Tri-County Softball representative and games are rescheduled according to field availability.
3. Every Head Coach must carry a verified roster with him/her at all times. Failure to produce a verified roster shall result in the player's removal from the game.
4. Substitutions: Each child should have equal playing time. Substitutions must be made by the top of the 3rd inning. If a team violates the substitution rule, at the time of the violation, all players that have not entered the game must be inserted into the game. Since everyone on the roster is in the batting order, there is open substitution.
5. Home teams must provide one (1) new game ball & one (1) slightly used for each league game.
6. The home team will provide the official scorekeeper.
7. Players, coaches, and/or spectators cannot use sayings, yells, and/or chattering on the field of play, from the dugouts, or bleachers that is directed to a specific player/position (ex. Batter, batter swing), or such sayings to or about the pitchers. Sayings, yells or chattering will be defined as two or more people singing or chanting in unison. Each team will be given one warning. Any further violation will result in the offending team forfeiting.
8. The Field Supervisor will determine the readiness of the field for play of all ball games.
9. The Complete Game: For the all divisions, games are complete at 3 innings or 2 ½ innings if the home team is ahead. If the game is not completed as stated in the above specifications, the entire game will be played for the make-up. A game is also considered complete if at least one half of the allotted time limit is completed.
10. The Field Supervisor/Head Umpire will have power to rule on all infractions.
