## Adult Softball Rules

### Objective

The object of this program is to provide the opportunity for men and women to play softball in an organized league designed to emphasize recreation, fair play, and sportsmanship. The league is organized and conducted to provide a wholesome experience for all concerned. Sponsors, coaches, players, and spectators all contribute to the quality of the program. Gestures of poor sportsmanship will not be tolerated.

### General Information

1. The BCRC Head Umpire has the authority to enforce Baldwin City Recreation Commission league rules and facility rules.
2. The BCRC Head Umpire has the authority to enforce the sportsmanship policy of the Department.
3. Managers are requested to notify the Baldwin City Recreation Commission Assistant Director when you know in advance that you must forfeit a game. This will enable the Department to notify the opposing team and prevent an unnecessary trip to the park.
4. The home team is listed first on the schedule – home team will take the field first.
5. **Alcohol or Tobacco of any kind is NOT allowed at the BCRC Ball Complex.** This includes playing field, dugouts, outside of the field, etc. Violators of this rule will bring about suspensions and forfeits pertaining to that particular team.
6. Teams are not allowed to have any sort of music coming from their dugouts before, during, or after games.
7. In case of inclement weather or wet diamonds, managers and players may call the rainout line – updated this season, **785-510-2020**, after **1:00 p.m.** on the day of the game to determine the status of games.
8. The Baldwin City Recreation Commission will email weekly standings to team managers. The top team will receive awards after the league is finished. **Tiebreakers will begin with head to head matchups, then run differential amongst tied teams if they play against each other. If they are still tied, we will go to overall run differential. If teams do not play head to head, then overall run differential will determine awards.**
9. **All approved bats will be accepted for league play and MUST have the USSSA “thumb print” stamp. Participants not following the bat rule policy will be subject to suspension from league play per USSSA Rules.**
10. Umpires reserve the right to remove players from the ballpark for any of the following: **Repeated arguing of calls, swearing, disrespecting the umpire or BCRC staff, fighting or any related actions.
