***The primary concern and responsibility of the Baldwin City Recreation Commission is the safety of the children. If you are selected as a head coach, you will be put through a background check from a company called SSCI. The results of this check are sent to and will only be seen by the Assistant Director of the BCRC. Baldwin City Recreation Commission will follow the National Parks and Recreation Association's guidelines for credentialing volunteers. This document can be found on our website at [www.baldwinrec.org](http://www.baldwinrec.org). Failure to pass the background check will eliminate an individual from being a head coach for our Department. Questions? Call 785-594-3670.***
