SAFETY PROTOCOLS:

- 1) Dugouts – The teams will be allowed to use dugouts for seating or storage of equipment.
 - Teams will have the option to sit with their parents or teams will be allowed to set up areas for players to sit if they don't want to use the dugout. These areas would include down the foul lines, or beyond the dugouts outside of the fence.
- 2) Equipment – Players will be required to provide their own equipment with the exception of catcher's equipment. League towns will provide their teams with catcher's gear. The league towns will try and provide equipment for individuals to use (based on current availability). Coaches will be contacted about times to check out equipment if needed. Equipment should not be shared.
- 3) Teams in coach pitch leagues (8U&7/8) will not use catcher's equipment. The catcher should wear their batting helmet and stand off to the side by the backstop. Catchers gear may not be shared during a game.
- 4) No team huddles. Communication with the team needs to follow social distancing guidelines.
- 5) At the conclusion of the game, no handshakes. Instead, teams should line up on the first and third baselines and give a tip of the cap to their opponents. This act of sportsmanship should be initiated by the coaches & umpires.
- 6) No sunflower seeds will be allowed at the complex.
